WHEREAS, The City of East Palo Alto is a proud community of diverse people from all parts of the United States and the world, including many immigrant families, and

WHEREAS, The East Palo Alto community has a history of speaking out in defense of civil and Human rights and for the protection of those most vulnerable in society, and

WHEREAS, The City of East Palo Alto including the police department, will continue it efforts to build trust and communication with all its residents in order to better serve the needs of the community, and

WHEREAS, officers of the Immigration and Customs Enforcement (ICE) office have stated that they are targeting individuals, but in reality are conducting sweeping raids in the Bay Area, creating a climate of fear and intimidation among immigrant families, while identifying themselves as (federal) "Police", thereby eroding the trust that local police are building with immigrant communities.

NOW, THEREFORE BE IT RESOLVED that the City Council of East Palo Alto calls on the U.S. Department of Homeland Security to stop their intimidation tactics against immigrant families so that the Congress as well as individuals and communities across the nation may engage in a civic debate and participation free of intimidation and repressive tactics.
