The San Francisco Office of Detention and Removal, U.S. Immigration and Customs Enforcement, Department of Homeland Security, is the designated federal agency responsible for interviewing and determining removal of foreign-born nationals from the United States. The Office of Detention and Removal is also responsible for the transportation of detainees.

IV. PROCEDURES:

1. The Sheriff's Office regularly receives Immigration Detainer requests (Form I-247) from ICE. A detainer serves to advise that ICE seeks custody of an individual presently in custody for the purpose of deportation. The detainer is a request that the law enforcement agency advise ICE, prior to releasing the individual, in order for ICE to assume custody. The Sheriff's Office will not hold an inmate past his or her scheduled release date, regardless of whether and ICE detainer request has been issued, except as provided below.
2. Authority To Place A Hold For ICE
 - a) The authority to hold for the ICE is 8C1-R287.7(a) of the INA. For booking purposes, the charge 1325 USC shall be used.
 - b) Inquiries to ICE will be done via Livescan.
 - (i) When an arrestee is fingerprinted, an electronic record is sent to ICE via the Secure Communities link.
 - (ii) If ICE requests a hold be placed, a detainer will be sent from ICE by facsimile to the jail for processing.
 - (iii) When the detainer is received, the receiving staff member will enter the hold into the inmate's charge screen, and select the proper law enforcement ORI in the "Hold For" screen.
 - (iv) Copies of the detainer will be made and given to the Transportation Supervisor.
 - c) A facsimile inquiry will be sent to ICE for any foreign-born persons arrested for serious or violent felonies.
 - d) ICE detainer requests will not be interpreted to allow the Sheriff's Office to hold an inmate past his or her release date unless the detainer request is supported by a judicial determination of probable cause.
3. Notification to ICE of Scheduled Release Date
 - a) ICE requests notification as soon as possible when an individual is ready for pickup or with expected release date. Notification will be made by fax.
 - b) Upon sentencing, a copy of the detainer will be faxed to ICE with the inmate's release date and last day for pickup information.
